Position applied for	<p>***Department • Professor (Associate Professor, Assistant Professor, Lecturer) Undergraduate program : ***department • ***course Post-graduate program : ***major</p>
Courses to be taught	<p>Undergraduate : Post-graduate :</p>

○Education and Research Achievements

(Form 2)

I. Details of current position

1. University / Institute of Higher Education:
 2. Department:
 3. Subjects taught:
 4. Number of classes a week,
 - (a) in your current department:
 - (b) in another department in your institution:
 - (c) as a part-time teacher in another institution:
- Total weekly classes:

Under "Details of current position", please list all the courses you have taught at both undergraduate and post-graduate levels. Applicants currently in non-academic employment should detail any part-time teaching experience.

II. Educational Achievements

1. Courses taught

2. Examples of teaching methods

3. Original textbooks and teaching materials

4. Please include any other information you consider relevant

III. Research Achievements

1. Books/monographs
 - 1) 室蘭工大, 水元道夫、胆振四郎, 雷ハンドブック, 電気学会 (2005) p. 88-101
Please detail as follows: author, title, publisher, date. In the case of joint authorship, please list all the authors with the applicant's name underlined.

2. Journals (peer-reviewed)
 - 1) Mizumoto M, Muroran K and Iburu S, Diffusion coefficient of electrons in real space, IEE Proc.-Sci. Meas. Technol. Vol. 143 No. 3 pp. 95-99 (2009)
Please detail as follows: author, title, publication, volume, number, page numbers (first-last), year of publication. In the case of joint authorship, please list all the authors with the applicant's name underlined.

3. Other publications

4. International conference proceedings (peer-reviewed)

- 1) *Muroran K, Mizumoto M and Iburu S, Deposition of a-SiC:H films by RF plasma using tetramethylsilane and hydrogen, Proc. of 19th Int. Symposium on Plasma Physics, Vol.3 pp. 1793-1797 (2009, Santa Fe ; USA)

Please indicate a refereed publication by inserting a *. Also include the location of the conference.

5. Research grants received

- 1) 有機材料による機能性シリコン系薄膜の低温堆積技術の評価と改良
〇〇〇〇年度文部科学省科学研究費「基盤研究B」代表 (番号*****)

Please write the research title, date awarded, type of research grant received, whether primary researcher or co-researcher, and (the grant number).

6. Please include any other information you consider relevant

Please list other achievements from most recent to oldest.
Please limit yourself to 6 A4 pages.
Supplemental information submitted with this form should be clearly referred to; for example: "** attached page (number)"
Please list all the information on your attached pages. Non-applicable sections should be left blank.
For publications, please include only previously published material or material currently in press.
Please include details of conference presentations in Section III under the heading "6. Please include any other information you consider relevant".
For International conference proceedings (peer-reviewed), please indicate a refereed publication by inserting a *.

IV. Community Achievements

1. Cooperative research
2. Patents
3. Please include any other information you consider relevant

Non-applicable sections should be left blank.

V. University administrative experience

VI. Extra-curricular achievements

VII. Specialized knowledge and experience relating to your field of study

Research area	Books	Journals	Commentary Reviews	International conference proceedings	Research reports
OOOO	1	1, 2, 3, 8	1	1	
OOOO	2, 3, 6	6, 7	2, 3		1
OOOO	4, 5	4, 5	4	2	

This table should list your three main areas of research. For each area of research and the achievement categories (books, journals, commentary/reviews, international conference proceedings, research reports), please write in the reference number that corresponds with the achievements detailed in section III, parts 1 to 6.
